## Automated Karaoke Recording Amusement Booths

Bring this unique experience to your venue as a profitable Pay-Per-Use Attraction.

### **A 21st Century, Sing, Record & Share Karaoke Amusement**

**Automated Karaoke Sing & record experience, Emails recordings, photos and short video to the vocal performer or others, uploads & shares on the Web, automatically produces and dispenses Quality recorded CD's.**

STARBOOTH® offers a true automatic recording studio experience, using professional-grade voice-processors, headphones and microphones in a noise resistant booth.

Fully-automated, self-contained, Share & Email enabled, free-standing unit approximately 6.6' high by 3.5' deep by 3.8' wide.

Customer self-operated system by use of built-in touch screens, recording equipment, and a mobile or Wi-Fi Internet connection that enables customer recordings from a huge library of popular karaoke songs, a variety of freestyle background rhythms & Beats, or a Capella type performance.

Typical customer pays \$10(MSRP) to record 1-2 songs. Recordings, photos and a short videos can be shared via the web & Emailed to the vocalist. A custom-labeled, professional-quality music CD is also automatically dispensed within booth. (The CD Production Feature can be excluded upon a request by the management of the Venue)

STARBOOTH® offers a fully-automated cash and credit card-based payment system, or can alternatively integrate with your prepaid swipe system, with real-time access to sales data and collections via your own web-based dedicated account. Fully supported by remote system monitoring, automatic self-reporting, and remote customer support.

Customize exteriors with your logos and graphics. Use video screens to feature special offers and messages. Self-brand CD labels.

STARBOOTH® is an exciting music activity easily transported and placed at fixed locations, as well as temporary venues such as fundraisers and events.
